Certificate of Theological Studies

This programme is offered exclusively by **Jesus Family Church**, The Netherlands, in association with PMI Bible College, Pakistan, and Vision International University, USA.

The course is taught by professors from JFC / PMI Bible College, who are highly qualified in their respective fields and proficient in both English and Urdu. Upon successful completion of the course, the student will be awarded an International Accredited (ASIC) Theological Certificate by Vision International University, USA, California.

The Certificate in Theological Studies at Jesus Family Church is a foundational one-year undergraduate programme designed to provide practical and theological training for Christian ministry. The programme has been developed from a robust biblical perspective and is designed to equip students with the necessary skills and knowledge to serve in various ministry capacities effectively.

Programme Highlights:

The programme offers comprehensive theological training. The curriculum encompasses a comprehensive range of subjects, including Hermeneutics and New Testament Survey, as well as detailed examinations of the Pentateuch and Pauline Epistles. This ensures that students receive a robust foundation in scriptural studies.

Practical Ministry Skills: The curriculum includes courses in Spiritual Formation, Christian Character Development, and Dynamics of Teaching, which provide students with the practical skills necessary for the completion of daily ministry tasks.

Spiritual and Personal Growth: The programme places an emphasis on spiritual maturity and personal development, with courses such as Theology of Worship and Spiritual Warfare, which are designed to prepare students for the spiritual challenges of ministry.

Community and Leadership Development: Courses in Speech and Communication and Introduction to Management equip students to become effective communicators and leaders within their ministry contexts.

Flexibility in Learning: The Certificate in Theology is flexible to accommodate students with varied schedules, offering options to engage deeply with their studies while managing personal and professional commitments.

Programme Objectives:

The Certificate in Theology is designed to integrate intensive academic study with practical ministry training, with the aim of cultivating a generation of ministers who are prepared to impact their churches and communities with depth and integrity.

This programme serves as an excellent stepping stone for those looking to further their education and ministry capability through a Bachelor's degree programme.

- The objective is to equip students with the requisite skills and knowledge to serve effectively in ministry within the context of the home or local church.
- The objective is to cultivate a robust understanding of biblical and theological concepts.
- Provide students with the tools to study, teach, preach, counsel, and lead with confidence and authority.
- Prepare students for the diverse responsibilities of Christian ministry.

International Accreditation from ASIC

Vision International University holds International Accreditation from ASIC (Accreditation Service for International Schools, Colleges, and Universities). ASIC Accreditation is a leading, globally recognised quality standard in international education. Institutions undergo an impartial and independent external assessment process to confirm their provision meets rigorous internationally accepted standards, covering the whole spectrum of its administration, governance, and educational offering. Achieving ASIC Accreditation demonstrates to students and stakeholders that an institution is a high-quality education provider that delivers safe and rewarding educational experiences and is committed to continuous improvement throughout its operation.
