Master of Theological Studies

This programme is offered exclusively by **Jesus Family Church**, The Netherlands, in collaboration with PMI Bible College, Pakistan, and Vision International University, USA.

The course is taught by highly qualified professors from JFC / PMI Bible College in either English or Urdu. Upon successful completion of the course, students will be awarded an internationally accredited theological degree from Vision International University in California, USA.

The Master of Theological Studies is an academic programme developed in collaboration with the Institute of Theological Studies (ITS). It is designed for individuals seeking to expand their understanding of Christian theology through rigorous academic study, research and teaching, particularly those interested in socio-religious issues.

Programme Highlights:

The M.T.S. programme aims to provide students with a rigorous course of academic study that offers the opportunity to explore fundamental issues in Christian theology.

- Completion of the bachelor's core courses is required for applicants without a bachelor's degree in Bible, Theology, Social or Behavioural Sciences, or Humanities.
- The Master of Theological Studies is designed to equip students for advanced study, research, or academic teaching roles. It is particularly suited to those interested in engaging deeply with theological disciplines.
- Collaboration with the Institute of Theological Studies enhances the academic rigour and breadth of the theological education offered.

Programme Objectives:

The M.T.S. is particularly suited to those interested in some aspect of teaching and research, or in working with socio-religious issues. The programme is designed to equip men and women for further study, research or teaching. Flexibility allows students to tailor their studies to specific areas of interest within theology or related fields.

- To engage students in rigorous academic study.
- To explore foundational issues in Christian theology.
- To provide a theological basis for ministerial service despite its primary focus on historical, systematic, and biblical theology.

Program Core:

CE 503: Advanced Leadership and Administration

International Accreditation from ASIC

Vision International University holds International Accreditation from ASIC (Accreditation Service for International Schools, Colleges, and Universities). ASIC Accreditation is a leading, globally recognised quality standard in international education. Institutions undergo an impartial and independent external assessment process to confirm their provision meets rigorous internationally accepted standards, covering the whole spectrum of its administration, governance, and educational offering. Achieving ASIC Accreditation demonstrates to students and stakeholders that an institution is a high-quality education provider that delivers safe and rewarding educational experiences and is committed to continuous improvement throughout its operation.
